I. Amendments to the Claims

Prior to entry of this Amendment and Response, claims 24, 26, 30, and 32-39 are pending in the above-referenced application. Following entry of this Amendment and Response, claims 24, 26, 30, and 32-40 will be pending.

Claim 30 is amended herein in accordance with suggestions from the Examiner in the Office action of February 22, 2005. New independent claim 40 is added herein, which represents dependent claim 33 rewritten in independent form including all the limitations of previously pending independent base claim 30 and dependent claim 32.

II. Indication of Allowable Subject Matter and Objections to Claims

Applicant thanks the Examiner for the indication that claims 24, 26, and 39 contain allowable subject matter, and for suggested amendments to claim 30 that make the claim patentably distinguishable over the art of record in the present application. As previously mentioned, claim 30 is amended herein in accordance with the Examiner's suggestions.

Applicant also thanks the Examiner for the indication that claim 33 would be allowable if appropriately rewritten in independent form, including all of the limitations of its respective base claim and any intervening claims. As previously mentioned, new independent claim 40 added herein represents dependent claim 33 rewritten in independent form including all the limitations of previously pending independent base claim 30 and dependent claim 32.

Therefore, claims 24, 26, 30, and 32-40 are believed to be in form for allowance, and such indication is respectfully requested.

III. Rejection of Claims under 35 U.S.C. § 102

No. 799,270); claims 30, 32, and 36-38 are rejected under 35 U.S.C. § 102(b) as being anticipated by Smith (U.S. Pat.
